EXPERIENCE

CO:LAB, Hartford CT / Graphic Design Intern

January 2012 to Present

Work closely with design team to develop logos, marketing and promotion projects and presentations for clients. Developed a brand identity for *The Fisherman*, a fly fishing company. Assist designers in preparing files for production. Provide Facebook and Twitter maintenance and updates.

AIGA Connecticut / Social Media Chair

January 2012 to Present

House Democrats, Hartford CT / Freelance Photographer

Fall 2010 to Present

Real Art Ways, Hartford CT / Community Programs Coordinator

February 2010 to Present

Conceptualize and design marketing materials to engage and grow audiences for three daytime programs in addition to program management responsibilities.

Movie Matinéés: Design and distribute posters and brochures for program featuring classic screenings and post-film discussions for seniors; conduct audience surveys and compile feedback to develop program and obtain continued grant funding.

Film Field Trips: Research films for educational program addressing the cultural and civic learning needs of young people in the Greater Hartford area; coordinate screenings with teachers and group leaders; arrange post-film discussions; survey audiences and compile data for grant purposes.

Daytrips: Create marketing materials and informational packets for guests of cultural program featuring bus trips to like-minded arts organizations; propose destinations and develop itineraries after extensive research; coordinate transportation, group tours, and hospitality; solicit post-trip feedback to develop future trips.
